Flour paste products	30JPY / kilogram and over
Cheese products	80JPY / kilogram and over
Chocolate products	220JPY / kilogram and over
Fermented milk products	30JPY / kilogram and over
Dough improver	30JPY / kilogram and over

※The range of price revision depends on the blending ratio of secondary ingredients.

※Our sales representative will contact you regarding specific products and quotation.

The costs related to production and sales of our processed oil products, etc. such as ingredients, processing, labor, packaging materials, logistics have been rising and placing downward pressure on earnings.

We have been working to improve profits by reducing costs but we have reached the limit of what we can do ourselves and we have determined that this price revision is necessary for stable supply in the future.
